

Zone VMS Essential

Essential by name, essential by nature - the Zone VMS Essential variable message board is the ideal way to keep drivers and workers safe on road work sites, or advertise your business or event with ease. Designed and built in Australia, you can take advantage of 24/7 Australian support services, no matter where your Zone Essential variable message signs are located.

Contact our team for more information.

Available in amber or five colour fonts, the Zone Essential variable message board can easily be controlled from your smartphone or tablet, wherever you're located. Powered with solar energy, it's an affordable and effective solution for all of your signage needs.
